

Kauffman, the daughters of previous owner. Neither person has lived at this address since I moved in almost eleven years ago. This is the first such mailing I have ever received attempting to register people who do not live at my address.

3. Attached hereto as Exhibits A-1 and A-2 are true and correct copies of the mailings I received from Travis County. I am disturbed that Travis County attempts to pressure the recipient into voting regardless of eligibility. This pressure comes under the Travis County Seal.

4. Travis County's mailing caused me considerable confusion and alarm. I am concerned that these actions, and actions like them, will have significant detrimental effects on Texas elections by undermining election integrity.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct.

Executed on this 27 day of September, 2024.
